

GRAND RE-OPENING PARTY

JUNE, 25th 2010

After months of renovations at our new building the ale house has finally moved!

I will be digging in our cellar to pull out some great stuff in celebration.

Friday night we will have on draft:

- Cantillon Saint Lamvinus
- Cantillon Vigneronne
- Cantillon Saint Gilloise
- New England Imperial Stout Trooper
- Founders KBS
- Sierra Nevada Life and Limb
- Jolly Pumpkin Luciernaga
- Stone/Brewdog BASHAH
- Dogfish 75min Cask
- And many more...

Please keep in mind that these beers are very limited; we will do our best to let everyone who wants to have some but there may not be enough to go around.

We will hold off on the tapping of some beers until about 5pm

Also as always we do not take reservations.

Cheers,
Matt Chase
